

THIS YEAR, GIVE THE GIFT OF *Ted.*

As the holiday season is upon us and you're thinking about what to get your children's teachers and administrators to thank them for their hard work, consider giving the gift of *Ted.* New this year, you can donate money in honor of a teacher, administrator or staff member to the Tantasqua Education Foundation. What better way to say thank you for making a big difference in a student's life than by contributing to *Ted.*, an organization built to help broaden the classroom experience. These tax-deductible gifts honoring your favorite teachers and staff are great for holidays, birthdays, retirements and, of course, for end-of-the-year thank yous.

A belief in "paying forward" is at the heart of Ted.'s philosophy, and it begins with contributions from individuals like you. Thank you for your support.

How it works:

Fill out this form (also available online) with chosen amount and specify the teacher, administrator or staff member you are honoring (make copies for more than one gift). We will send you a note card from *Ted.* that you can personalize and give to the honoree. You'll also receive a letter from *Ted.* acknowledging your gift for tax purposes.

Name of person to be honored: _____

School: _____

Name of student or gift giver: _____

Amount of gift: _____

Your name: _____

Your address: _____

Your phone: _____

Your email: _____

(if you would like to receive infrequent e-newsletters from *Ted.*)

TANTASQUA EDUCATION FOUNDATION

A community investment.
