The Tantasqua Education Foundation is a community-sponsored, independent, non-profit organization dedicated to providing financial resources to support projects and programs that encourage students to develop their talents, become lifelong learners, and pursue excellence. Such projects go beyond the scope of those funded by the operating budgets of the school districts. Teachers throughout the system are eligible to participate in the program. Through the generous support of our community over the past three years, *Ted.* has funded close to \$50,000 of grants at all grade levels and in all educational disciplines.

This year Ted. has supported grants for a News Networking program for fourth grade students and environmental programs at two elementary schools teaching students about their surroundings. A visiting music teacher will go into some fourth grade classrooms to teach children about American heritage through music. Junior High School students are learning how to create a hydroponic herb garden and High School students will learn how stream their video projects onto the internet.

Join our Friends of *Ted.* and help make a real impact to serve our schools and community. Our Gifts of Gratitude Program allows you to make a gift to *Ted.* in honor of a teacher, administrator or staff member who has made a difference in your child’s life. Your gift is tax-deductible and is the perfect holiday gift or end of the year thank you gift. Each honored staff member will receive an acknowledgment card bearing the donor’s name and any special message you wish to include, the amount of the donation will not be included.
